I hope you can tell that I like to keep in shape. My daily routine takes me to the gym almost every day. While I'm not vegetarian,

I do like some meat every once in a while. And that includes man meat, too. I love to lick and suck a man's cock. When sex is in the air, it's in my mouth and pussy. Oh, and did I mention your man balls. You guys are so lucky to have them down there so I can suck on them too.

And when all things are said and done, I have to admit that I do like the taste of cum in the morning. I ask my man to have a large glass of pineapple juice the night before and then I suck it out of him. There's never been a complaint, nor do I anticipate one, either.

No matter what, I can always count on my womanliness. By my age, I know what men are looking for and I can deliver. It's not about fucking and sucking, although that's a very fun part of the process, it's the visual aspect that men like.

Dear editors,

Being a divorced father, it's hard to survive in the dating world. For the most part, I keep to myself. My name is Frank and I just got another erection. Oh yeah, that's just about all I think about. Women and sex. I have all the time in the world and none of the above. I tried bars, clubs, dating sites, the office pussy pool, and more. No luck anywhere for me and I can't figure out why.

After eight months I had to do something. Then kismet struck. I was in the supermarket, in the fruit and veggie section selecting some figs. Standing nearby was a pretty lady fingering organic tomatoes. She was looking kinda frustrated by the selection. Then right out of the blue, my mouth says, "Sometimes the good ones just aren't there." She looked over at me and gave me a quizzical smile. I quickly apologized for the double entendre and she laughed.

I looked away and a moment later she said, "I've always wanted to try figs, but didn't have the cour-

To the Editors,

There's no butt like Pamela's butt. Man where did you find a butt like that? How did she get a butt like that? How can I fuck a butt like that? But seriously. I was very impressed with Pamela's layout in your **50+** magazine. I have to admit, though, that I was first drawn to buying it because of her fabulous boobs, and I did. But when I got it home and looked at her pictures, I have to admit her butt won me over. So did her wonderful all over tan. That reminds me of my ex-wife who loves tanning and I loved the way she looked. Pamela really seems to enjoy having a hard cock in her ass. I won't say I wish it was mine, but I do. Plus I have to give kudos to you guys for having her fuck on video. That was hot.

— Shaun, Los Angeles

age. Aren't they kinda weird to eat?" I looked around to be sure she was talking to me, and then said, "Not if you eat them the right way." Again I blushed because of a second double. She laughed out loud that time.

I tried to recover, quickly by saying something even more arcane. "The best way to describe it that I know was in a scene in Ken Russell's 1969 film *Women in Love* where Alan Bates describes eating a fig like eating a..." I stopped myself before I said it. "A woman," she said. Once again I blushed and turned shy.

"Oh, that's okay," she said. "I'm, a huge Ken Russell fan. I'm surprised I didn't think of that before I asked. Hi, I'm Lainie," she said introducing herself. "Nice to meet you. I'm Frank." Spotting an in-store coffee shop over her shoulder, again my mouth took over. "Could I interest you in a cup of coffee and we could discuss his films. I too am a huge fan.

"That'd be nice," she said. Cut to two hours later, and not to bore you with

film trivia. Lainie is now at my flat and sitting on my sofa as I bring in a couple glasses of wine. We share an awkward kiss and my mouth starts to talk again. "Shut up," she shushes me and starts kissing me more intently this time using her tongue, swirling it around mine and sucking on my tongue gently and lovingly. I became more bold and reached under her t-shirt and began massaging her left breast.

Not pushing me away, I became more confident and gently pinched her nipple between my index and thumb as she purred

pulled them off. I kissed from her neck to her chest to her stomach to her lady mound of perfectly coiffed pubic hair.

I gently licked her pussy through her thong, then lifted her legs and pulled it off revealing her lady treasure. I lock her thighs around my head as I slowly take my first lick on her bare pussy. I made a few licks on her labia, then spread them apart with my fingers and licked her pussy. She held tight onto my head and pulled my hair as I tongue-fucked her to a mini-orgasm. She leaked a thick and tangy

and settled down from her orgasm.

She kissed me once more, then held my hips as she slowly licked her way down to my member. She stared at it somewhat inquisitively then slowly grabbed it causing it to throb harder. She started pumping my shaft as before, although this time she had her soft luscious lips around my cock head and she sucked the skin over the head she was sucking so hard.

She would let her lips slide down it and then applied suction as she

She picked up speed, then I closed my eyes hard and tensed my whole body up until I exploded my first rope of thick, hot cum into her mouth. I unloaded what seemed like a pint of splooge into her mouth and she swallows it all. I got up and went to the kitchen and brought back some figs. I took one, held it out, smiled, looked at her and said. "This is how you eat one."

—Harold, Mobile, Ala

Dear editors,

You probably get all sorts of letters about hot sex, but I've just got to tell someone about mine. I have to write this quick because I'm at the office and gotta go soon, but before I forget it, I'm gonna do it.

Three months ago I got married for the third time. My new wife for the second. For the honeymoon, we hopped on a plane to Cabo with the excitement of a week of nothing but beach and sex before starting the rest of our lives together. We were too exhausted to fuck that first night but I had great expectations for the near future. The next morning I get up early with this raging hard on, but Sonya, my gorgeous new wife, was already up. She was wearing a

to the touch. I took off her top and grabbed her exposed breasts. She took off my shirt and I unzipped her pants and

liquid from her pussy and I lapped it all up with my tongue then sucked her pussy clean. After that, her body stopped shaking

moved her lips upwards. I was amazed at the feeling I was getting. It was heaven, this being my first blow job in months.

STOP STARING

*And go get your checkbook!
I have six cats, a mortgage, car
payments, credit card debt,
and a mother that likes to
play bingo every Wednesday,
so I have to pose naked in
this magazine just so you
can get your rocks off looking
at my huge delicious boobs.*

baggy sweat suit and her hair pulled back. Maybe she thought that she still looked sexy even in sweats and with no makeup on. She was out on the veranda exercising and hurt herself! She came over to the bed with a puppy-dog look on her face; big sad eyes and hands on her hips.

I asked if she was okay and she said she needed to lay down because the pain was increasing. That's when my cock's brain took over and I told her that she looked great in sweats and she was turning me on. I sat up and grabbed her by the shoulders.

At first she pushed me away gently but firmly. "You must be really hard up if you think I'm sexy in my sweats," she said. I was just a little breathless and pulled the covers down to show her my erection. I slipped my hand under her top trying to squeeze her nipple. "Baby, my back

hurts, I can't do this now!" she complained, grabbing my hand and pulling it from her breast. I whimpered that this was our honeymoon and reminded her of all the fun, sexy things we said we were going to do. She said we would, right after her back got better, but now she had to stay down.

So that's the way it was for three days and I was going out of my mind. She spent every day in bed or on the veranda staring at the ocean. When I tried to get close to her, she always complained about her back and I went away frustrated. Okay, so the other morning she gave me a quick hand job because I whined and complained so much. After a few strokes, I exploded because I was so pent up, and that's why it was a quickie.

Now it's the fourth morning of our honeymoon, only two days

left, and I'm desperate. So rather than mope, I ordered a couple bottles of champagne and we sat on the veranda drinking. After polishing off one bottle, she said she felt better and got up pulling me to the bedroom. When we got there, she took off her clothes and got into bed. I went to the bathroom to relieve myself and when I came out she was snoring – naked face down on the bed. I was incredulous and horny as hell.

So, I took some lotion from the bed stand and spread some on her butt cheeks working it into her crack and slipped a finger inside her butt hole. Strangely she spread her legs, seemingly to give me better access. As my finger slid in and out, her hips moved encouraging me to go deeper.

I think she moaned in frustration when I pulled my finger out. I got up over her on the bed and

put my cock in her butt and I could feel her hips rise up to meet it. I started slowly as not to wake her but my hormones kicked in and I started fucking her harder. Soft moaning sounds began to come out her mouth and her hips seemed to stay in my rhythm.

Then after one deep thrust, she seemed to awaken, looked back at me and gave me a sleepy smile. "Hi honey, happy honeymoon," she cooed. "Don't stop!" She worked herself onto her knees, offering her butt to my hot desire. I worked it some more as she reached between her legs and diddled herself into a screaming orgasm. Well as for me, I exploded my frustration deep into her butt and collapsed on top of her and quickly fell asleep. For the next two days we fucked every minute trying to catch up for the lost time. So in the end, (no pun intended) it turned out to be a great honeymoon after all.

– Jerry, *Detroit*

I'm a horny vixen that just can't get enough. I love the taste of cum. I think I reached one of my sexual peaks ten years ago and decided to leave my husband to explore my sexuality. I tried women and loved it but there's just something about a nice big cock in my pussy that drives me wild. The only way in is all the way in!

Alexis

So I invite you to watch me get a blast of cum all over my voluptuous breasts after a sizzling hot fuck.

A blonde woman with long hair is shown from the back, sitting on a light-colored couch. She is looking over her shoulder towards the camera. A hand is placed on her right buttock. She is wearing a ring on her left ring finger. The background is a plain wall.

I think I'm just now
reaching my sexual
peak at 53. Yeah, I've
fucked a lot before,
but now, it's like FUCK.
Everything seems to be
happening in capital
letters and that's so cool.
My blow jobs are better,
my pussy feels hotter,
and I think in the next
year I'm going to take
it in my virgin ass.

My nurse friend told a patient her name was that of a coworker and to yell it out if they needed any help.

I had always heard nurses were always horny I didn't believe it but now I know for sure

NOW I TRULY KNOW THE MEANING OF NEIGHBORLY NURSE LOVE.

I had been with many other women before in my fifty-something years, but there's never been the sheer animal magnetism I had towards Caille and Rachel. They shared a house next door to me and were operating room nurses at the hospital a few miles away. I thought they may be gay with each other, but that did not stop me from drooling every time I saw them. I would say hello every now and then and would give them some misplaced mail of theirs I would receive. They were always nice, but somewhat aloof when we saw each other.

For me... I was tired of the grind as an investor and just finished my new six-month job training as a commercial real estate agent, which just so happened to occur the week before Halloween. So when I finished, the promise of getting drunk with my fellow brokers was worth looking forward to. We decided to go to a blow-out costume party given by a huge nightclub on the skirts of downtown.

So Friday night rolls around way too fast and I don't get a costume together. I call my friend Randy and

he said he couldn't do it either. We brainstormed for a minute and decided to go as James Bond. He would be the newest blond one, and I'd go as the original (and still the best!). I slicked my hair back and found a skinny tie and Randy messed up his hair and, just to be sure, we would carry martini glasses around with us. The 'costumes' were a bigger hit than we expected, especially when we added lousy British accents, because after we got to the party, all the other party go-ers loved them, and the ladies especially thought they were manly and sexy.

After about three martinis, shaken not stirred, I decided to start pacing myself before I got too drunk too fast. I switched to beer and talked with one of the other brokers for a while until a small hand tapped me on the back of the shoulder. I turned around and saw a girl with a magnificent white bikini-clad body dressed as a masked Honey Ryder (you know, Ursula Andress in Dr. No), holding a large conch shell and beckoning me toward the dance floor. I drained my beer and took her hand and stepped onto the dance floor right as a slow song was ending. Without even

As I was about to pull off her mask, she stopped my hand and waved her finger saying she wanted to leave it on. She quickly stripped off her tiny outfit but kept her mask on.

asking she turns around and starts to grind on me. I was a little dumbfounded because I had never had this happen to me so I was a little slow to get it – but before long my cock starting getting harder and harder. Her white bikini bottomed butt was pressing against my crotch and I could feel every inch of it as it started moving faster and faster.

As she started to slow down, I put my hands on her thighs and pulled her against my crotch and started to move around myself. She turned around and looked at me with pretty blue eyes through her mask, and as she did her thing, I started moving my hands up and down her thighs moving closer and closer to her mound. Cautiously, I ran a light hand over it to see if she was fine with it and she surprised me further by placing my hand on her pussy. I got the signal and started to rub up and down on her bikini, I could feel everything over the swimsuit's flimsy material. As I started moving faster and faster, she started pushing even harder against my cock until she could take no more, and as I felt the wetness seep into her costume, she turned around and threw her lips onto mine, followed by a deep probing with her tongue deep inside my mouth.

Then, she took my hand and led me up some stairs towards the back of the club. She pulled me into a dark room, pushed me down on some sort of bed, and quickly mounted me and started pushing hard against my crotch. As I was about to pull off her mask, she stopped my hand and waved her finger saying she wanted to leave it on. She quickly stripped off her tiny outfit but kept her mask on. She had an amazing body, full pouty lips, and long dirty blonde hair that went to her shoulders, all vaguely familiar but maybe it was the booze making me think so. Then I looked down to her full, firm boobs with rock-hard nipples. I quickly took off my clothes, so all I had left on was my briefs and my martini glass.

She took the glass and put it aside and laid on top of me. I could feel her warm breasts press against my chest and her wet pussy on my dick. I started to kiss down her neck and stomach until I reached her pussy. I started by licking the outside and working inwards

until I was penetrating her tight pussy with my tongue. I looped her legs over my shoulders and proceeded to go deeper and deeper into her. Her pussy tasted so good that it only encouraged me to go faster. I put two of my fingers in her mouth. She sucked and licked

my fingers so nicely that I hoped she could do that as well with my cock. I then shoved those fingers deep into her. Suddenly, she grabbed my head and started to push it harder and harder into her pussy until she came on my face.

Before I even got up, she was sucking my cock like there was no tomorrow. She started by spitting a glob of spit on my dick and rubbed it in with both hands, working it up and down while playing with my balls, looking at my dick hungrily. She then proceeded to lick from my balls to my cock head with her nimble tongue – and when she finally put my cock in her mouth, she moved up and down extremely fast keeping her lips tight around the shaft and head. Her mouth was moving faster and faster causing me to involuntarily put my hand on the back of her head and at that moment she proceeded to deepthroat me. Her mouth was so wet and I could feel the back of her throat close around the tip of my cock and I felt I was going to cum.

She realized that and took her mouth off my cock,

Then she crawled behind me and grabbed my balls through my legs and rubbed them hard until I blew my latest load into Rachel's willing mouth.

grabbed it hard and rammed it into her pussy all the way down to the base. Suddenly, her pussy shot more lady-cum all over my cock. She was straddling her legs over me and started pumping up and down on my cock. Every once and while she would grind

her hips back and forth as I sucked on her nipples. I pulled her farther onto my cock and watched as her boobs bounced up and down, keeping a steady beat to the sound of her soaking wet pussy pounding my cock.

After many long minutes of riding me we got into doggy-style and proceeded to fuck ourselves senseless. I grabbed her hair for leverage and shoved my dick into her waiting pussy and she moaned and threw her head back. I put my other hand on her hip and proceeded to shove my cock all the way in and pull it almost all the way out for a few minutes before starting to pump her tight pussy as hard as I could. The sight of her little butt pounding against my dick only seemed to fuel my lust more as I pushed into her harder. I was going to cum, so she immediately took my cock out, spun around, and put it in front of her face as I delivered at least half a dozen huge spurts over her waiting tongue. She swallowed as much as she could, sucked my cock a few more times to get all of it out.

An hour later I woke up and stared at the naked girl splayed out over my body and as I looked at her she became more and more familiar. At last, I couldn't wait any longer so I took off her mask and was immediately awestruck. There laying on top of me was none other than Caille. I suddenly sprung from the bed in surprise waking her, and after she found that her mask was no longer on, explained she was going to reveal herself to me regardless of me finding out. She explained that she and Rachel wanted to surprise me by doing this but she was too shy.

Then the door opened and silhouetted in the backlight was a slender female form. She stood in the doorway for a moment and I could see she was taking her clothes off and dropped them on the floor. She entered the room and closed the door. She came over to us and immediately kissed Caille, but I was a bit shocked when she kissed me. I assumed it was Rachel. It was really nice feeling her soft lips against mine. She and I locked lips for a while. Caille came over and began playing with Rachel's pussy. She then laid back on the bed and Rachel lowered herself to lick her friend's pussy. I've been with some women before but this was the best. I got behind Rachel and grabbed her ass as I licked her eagerly and she started to moan and scream in pleasure.

Rachel came first and I was impressed with myself. She squirted all over my face but kept licking Caille until she came with Rachel's fingers inside her. We were all exhausted and the three of us collapsed on the bed panting. After we had regained some strength we continued, this time Rachel sucking me as Caille watched. Then she crawled behind me over and grabbed my balls through my legs and rubbed them hard until I blew my latest load into Rachel's willing mouth. We three fucked until morning with short breaks to catch out breath. I felt like I was twenty again, and fucked like it.

I've had many other lovers but I certainly never expected this to happen to me. I wish it on all men!

One time I met a lovely lady at a business function. I introduced her to my husband and he decided he would like to fuck her. I have an open relationship with my husband. I invited her over and she agreed. I sat on a big overstuffed chair watching them go at it.

Kandi

After they finished, I made us all dinner. The conversation around the dinner table was quite exciting. After dinner, she and I fucked as he watched.

She stayed that night and we had ourselves a threeway. I don't think I've ever seen my husband so into sex. But that's okay. I think he especially liked it when she was blowing him and I had his balls in my mouth. He looked at us the whole time, taking it all in as we were taking all of him in. The three of us can't wait to do it again!

HOT GIRL-ON-GIRL ACTION

I was brought up a country girl with country values. I fucked some country boys and had a few from the big city, too. I think I prefer the country boys. They seem much more willing to please me than the city guys. Maybe it's in the way their mothers raised them.

Sundara

But either way, they all had hard cocks when I sucked and fucked them, and so that made them all worthwhile in the sack or the haystack.

Today, I prefer a bed or a sofa or the kitchen table over a haystack. But the sexual excitement is still there no matter where I fuck or who I'm fucking. Their cock has to still be hard, and that's sometimes a tough deal for men my age, so I prefer mine a little younger, and if they're from the country, good for me.
